## DECLINE IN PRICE MAKES MR. EGG FEEL "LIKE THREE CENTS"

"Hen Fruit" Takes Welcome  
Drop to 33 Cents a Dozen  
as Easter Nears.

"I feel like three cents," said Mr. Egg, when the price of "hen fruit" dropped to 23 cents a dozen this week. "In fact I feel even cheaper than three cents and my rapid decline from five and six cents augurs well for those who plan to color me for Easter."

The cheapness of eggs this winter and especially this early spring has been one of the market phenomena. Many persons who put down eggs for the winter and have not been completely successful in using up their storage supply are buying fresh eggs for less than they paid for the supply which they put down last spring for winter use.

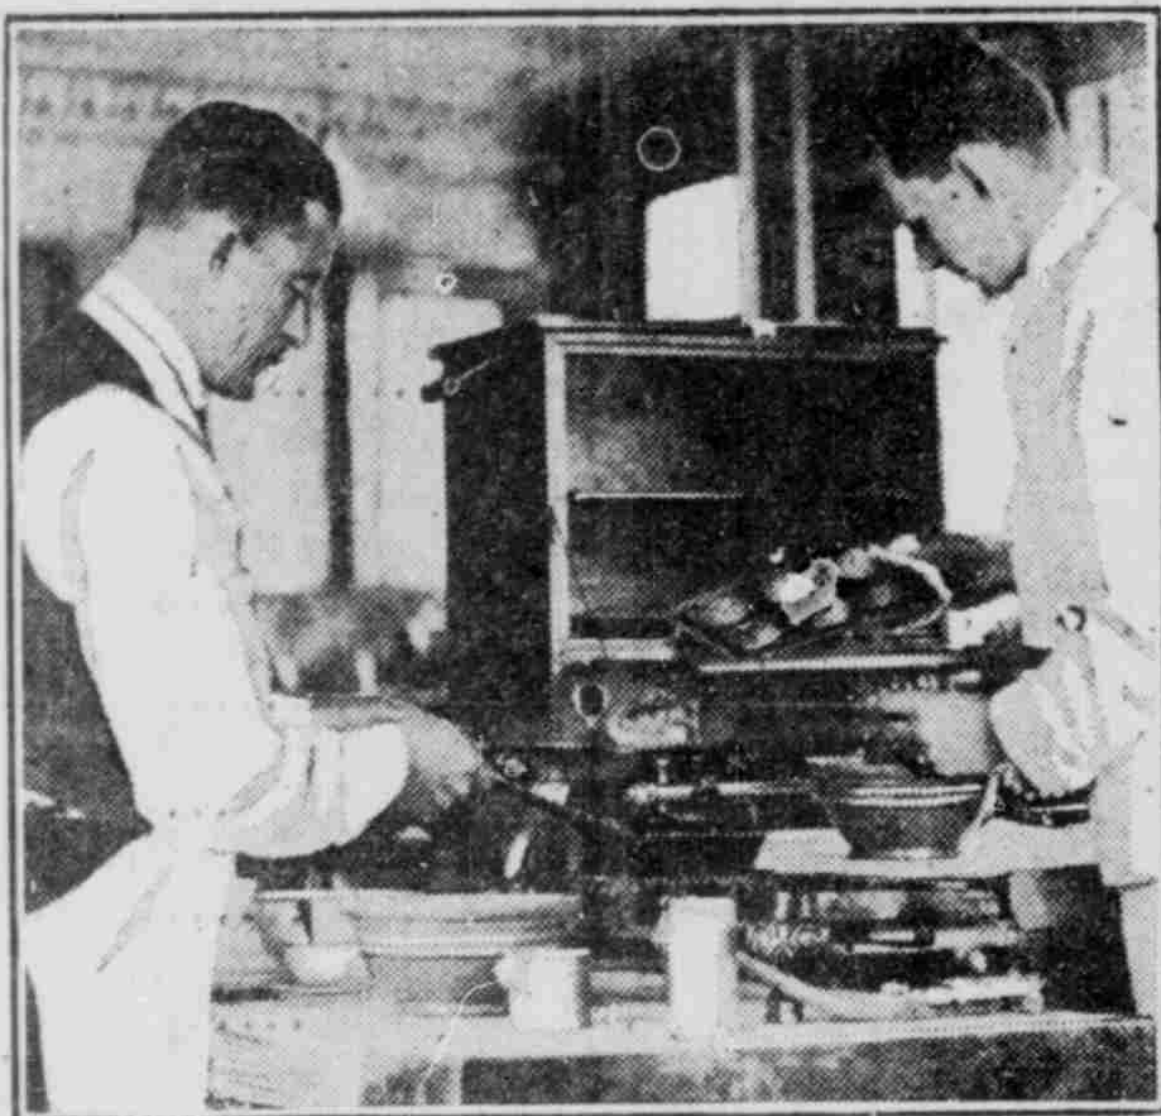

Eggs were cheaper in February than they were at any time last summer and predictions are that they will continue to remain down in price even at Easter when the product usually takes a jump in price. The plentiful supply this season and the cheapness with which they may be had has been one of the potent factors in bringing down the well known H. C. of L.

**POLICE AUTO CLASS.**  
HOUSTON — Gordon Murphy wants to start a school. He's the police chief. His pupils would be auto drivers. He's sent traffic law violators to night classes. Then, if they violated laws, he'd send 'em to police court.

**HUNTING 600 FATHERS.**  
NEW YORK — Members of the National Detection bureau are going hunting in Canada. They expect to bring back 600 men who deserted their families. This is in line with a new treaty ratified by the senate.

Women of Shanghai are prohibited from wearing short skirts and displaying their arms.

## LEARNING TO BE HUSBANDS

Here's your chance, girls! Men at Pennsylvania State College are learning at their own request, to cook and bake. Yes, and to "do the dishes," too!

## Sister Mary's Kitchen

Salad season is upon us! No meal these days is quite complete without salads.

Sister Mary, here, gives News-Times readers recipes for seven of her best. You'll find them seasonal, economical and mouth-watering.

Try one on your table tonight. The men folks will like it.

### SWISS

- 2 1/2 cup chopped cold boiled potato.
- 1/2 cup chopped cold boiled tongue.
- 1/2 cup chopped cooked beets.
- 1/2 cup chopped cooked carrots.
- 2 tablespoons chopped apple.

1/2 cup oil, cooked fish finely flaked.

Mayonnaise.  
The tongue may be substituted by any finely chopped meat. Mix all ingredients in a salad bowl with enough salad dressing to moisten.

### CHICKEN

With Hard-Boiled Egg Dressing.  
Dice chicken (left from dinner).

- Head lettuce.
- 1/2 teaspoon mustard.
- 1 teaspoon salt.
- 1 egg yolk (raw).
- 3 hard-boiled eggs.
- 5 tablespoons oil.
- 5 tablespoons vinegar.
- Paprika.

Pick chicken from bones and cut in dice. Pull lettuce apart and use inner leaves. Put mustard, salt and paprika in a bowl and mix with the raw yolk. Work in the yolks of the hard-boiled eggs with fork. Work till smooth. Add oil slowly, and then add vinegar. Beat till perfectly blended. Add chopped whites of eggs. Add dressing to chicken and lettuce in a salad bowl and mix thoroughly.

### SPRING.

- 3 sour apples.
- 1 medium-sized mild onion.

Watercress.

Mayonnaise dressing.

Wash watercress and wrap in a cloth to drain and crisp. Pare and core apples and slice in thin slices.

Peel and mince onion. Put apples, onion and mayonnaise in a bowl and mix thoroughly. Serve on a bed of watercress. Strips of pimento may be added as a garnish. If this salad is served with a heavy dinner French dressing should be used in place of the mayonnaise.

### HEAD LETTUCE.

With Roquefort Cheese Dressing.

- 1 large solid head lettuce.
- 2 tablespoons cheese (domestic or imported).
- 4 tablespoons oil.
- 2 tablespoons vinegar.
- 1/2 teaspoon salt.
- 1/2 teaspoon pepper.

Wash lettuce and cut in fourths. Let stand in salt water for half an

hour. Drain and rinse in clear water. Wrap in several thicknesses of old, soft linen and put in a cold place for an hour to crisp and dry. Put half of the cheese into a bowl and beat in the oil. Add vinegar drop by drop, beating vigorously. Add salt and pepper and the rest of the cheese which has been crumbled. Pour over lettuce and serve at once.

### MINUTE.

- Bananas.
- Peanuts.
- Boiled salad dressing.
- Leaf lettuce.

One banana will serve two people. Allow one dessert spoonful of ground peanuts for each salad. A boiled dressing is preferable to a heavy mayonnaise since oil and bananas do not combine well. Leaf lettuce carefully crisped "does" just as nicely as head. Remove skins from bananas and split lengthwise. Scrape the uncut surface of the banana. This removes the puckery coating that is hard for many people to digest and makes a surface the nuts will stick to. Roll the banana in the peanuts which have been shelled and put through the food chopper. Mask with salad dressing and serve on the lettuce leaf.

### CABBAGE AND GRAPEFRUIT

- 2 cups shredded cabbage
- 1 grapefruit
- 2 teaspoons sugar
- 1/2 teaspoon salt
- 1/2 teaspoon vinegar

Cut grapefruit in halves and scoop out the pulp with a spoon, keeping the fruit whole as possible. Put fruit and shredded cabbage in mixing bowl and pour over any grapefruit juice left in the shells. Sprinkle with sugar and salt and mix well.
